

# Della Lamb

“3F30 volunteers taking a break at the annual Della Lamb Operation Santa Claus”

On this Saturday morning in December, twelve 3F30 volunteers, along with many others from the community, helped about 300 families shop for gifts for their families. We are of course thanked for our time and financial contributions to this event – but everyone that helps us each year knows the true reward comes from the feeling we get in being able to help this fine organization.
